

DCID 1/80

DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee
COMPARTMENTATION SUBCOMMITTEE

23 MAY 1978

MEMORANDUM FOR: Chairman, DCI Security Committee

SUBJECT: Duty and Travel Restrictions

1. This report is submitted in response to your letter of 23 August 1977 (SECOM-D-269) in which you requested the Compartmentation Subcommittee to review a list of countries where duty and travel restrictions currently apply.
2. The Subcommittee has completed that review and considers the list to be current and valid. The Subcommittee based its considerations on criteria set forth in the draft DCID 1/XX "Duty and Travel Restrictions." It is the conclusion of the Subcommittee that the authority of that DCID extends to areas where activities of a hostile intelligence service pose a direct threat to SCI security. Accordingly, we have applied the restrictions to areas where exploitation of an individual's SCI access is a distinct possibility.
3. When the draft DCID 1/XX "Duty and Travel Restrictions" is approved by the NFIB and the DCI, the list will again be reviewed to insure that the guidance contained in the draft DCID warrants inclusion of a country or area on the list. Thereafter, the Subcommittee will review the list bi-annually; however, additions or deletions may be recommended at any time through representatives of the Subcommittee.
